Radium Hot Springs Prestige Inn 2 nights – breakfast NOT included  
For meals on your own – available options will be provided.

Hot Springs – both Radium and Banff have hot pools – how hot? The natural temperature of the water that emerges varies depending on the season. **During the winter, the temperature is as hot as 47°C (116°F).** In the spring, the flow increases and the temperature cools off to a minimum of 27°C (81°F). Soaking in the pools is optional of course,

A Burnaby senior membership is required. (Bonsor, Edmonds, Cameron, Confederation).  
Also required, agree to Bus Tour Conditions and sign a Waiver.

To apply for a Bonsor membership, please visit Bonsor 55+ Centre, 6533 Nelson St., Burnaby.
