Bonsor 55+ Computer Group

YouTube is ...

- A video streaming and sharing site owned by Google
- Allows you to
 - watch videos uploaded by others
 - upload your own videos for others to watch

Using YouTube Anonymously

- Without signing in you can watch and search for videos
- YouTube will also recommend videos to watch

(this feature is of limited use if you are not signed in as the recommended videos will probably be more relevant if YouTube can track your watching preferences)

How to Access YouTube

- On a computer, access YouTube using a web browser from the Google home page or the web address

<http://youtube.com>

- On a mobile device run the YouTube app

YouTube Web Home Screen
