What is Zoom?

- Video chat service - Zoom meeting
- Zoom meeting allows video meeting for large groups of people
- Ability to use computer or mobile device
- Main difference between Zoom and other video chat services is the number of possible participants - Zoom can accommodate up to a thousand participants!

A Basic Zoom Meeting

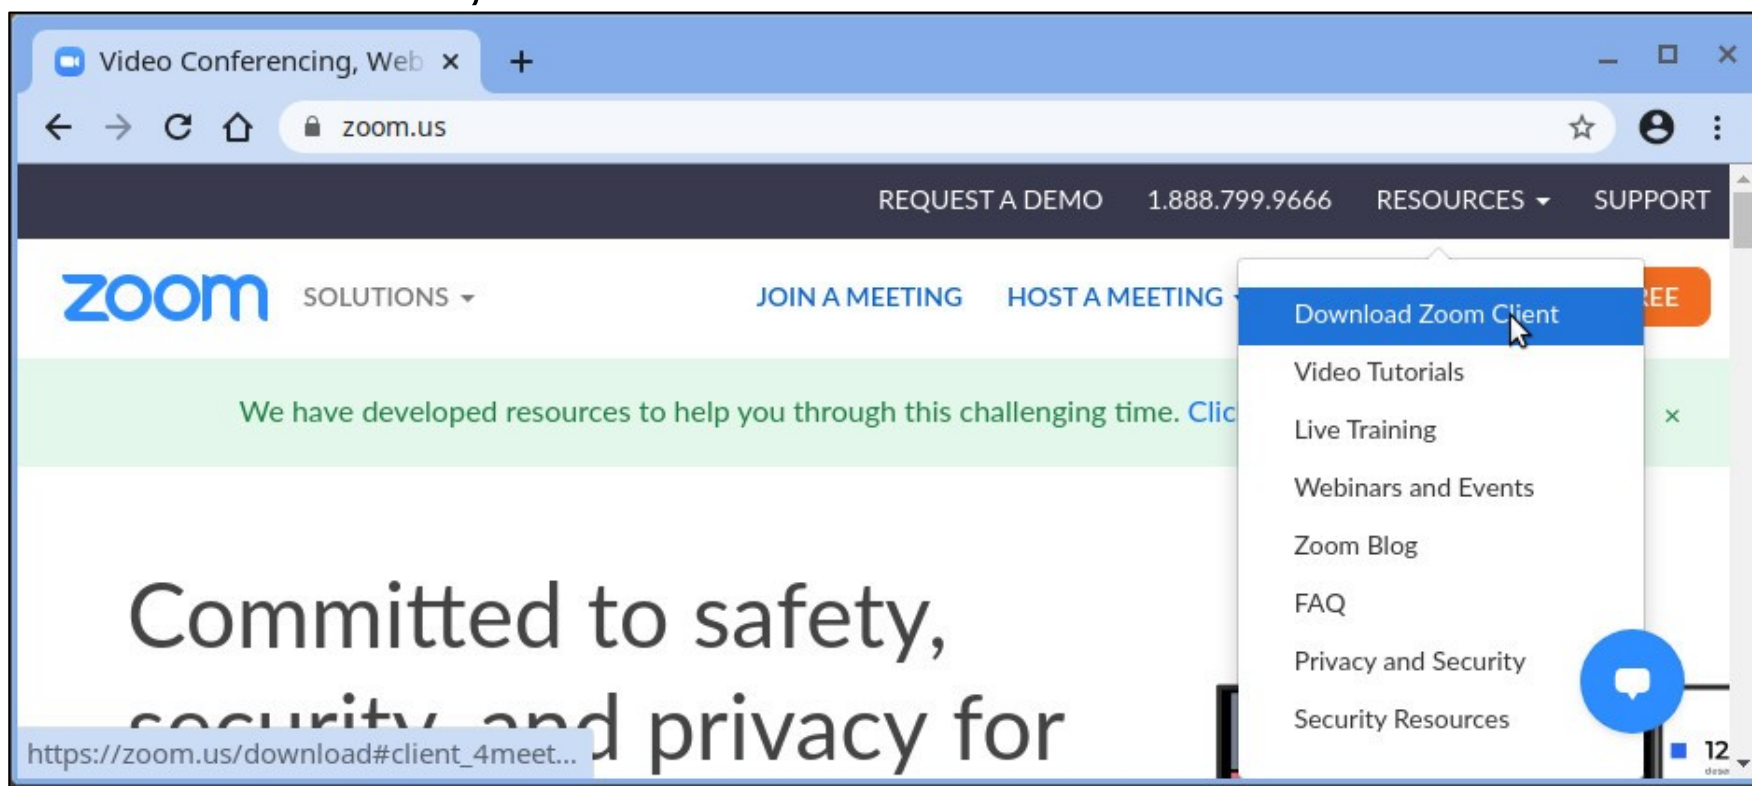

- Hosting a basic Zoom meeting is free of charge
- Subscription needed for more advanced features e.g.
 - extend the meeting time beyond 40 minutes
 - extend participants beyond 100
- Participants do not need a Zoom account or even the Zoom software (use browser instead)
 - Using browser for a meeting may have limited features

Getting the Zoom Client

NOTE: To use Zoom on your browser, no additional installation needed, Chrome browser is recommended

If you want to install the Zoom client application software rather than use the browser:

- For a computer, go to website zoom.us, click RESOURCES, click “Download Zoom Client”

Accessing Zoom

If you want to install the Zoom client application software rather than use the browser:

- For an Android device, install the app (Zoom Cloud Meetings) from the Google Playstore
- For an Apple iPhone/iPad, install the app (Zoom Cloud Meetings) from the Apple Appstore
